THE MOST MAGICAL SPOT IN SOUTH BEACH
Esquire
OVERVIEW
Located on Belle Isle, steps away from the action on South Beach, The Standard Spa, Miami Beach is less a “hotel,” and more a spa with guest rooms. Set amidst peaceful tropical gardens, the breezy, soothing rooms feature private terraces, many with outdoor soaking tubs, as well as an indoor and outdoor hydrotherapy playground, complimentary to hotel guests. The Spa encourages the communal rituals of ancient bathing traditions and serves as a hub for sessions by some of the world’s top yogis and treatments by expert practitioners. The Lido Bayside Grill offers the perfect warm-weather, sun-kissed Mediterranean-inspired menu.
